# OUR CORE VALUES

We stick to our promises!

"If we say it, we do it is at the heart of our commitment to our colleagues, our customers and our suppliers. We will be transparent and pro-active in case we encounter a situation beyond our control to arrive at the best achievable outcome .

We believe in what we do!

We are passionate about our individual contributions to the positive development of our company and feel proud of our accomplishments and our outstanding reputation in the marine industry.

We believe in honesty!

We will always be truthful and straight forward to our customers and colleagues. We will be our customers trusted advisor. Any interaction with our customers will follow the strictest ethical standards and we will not offer any inappropriate gifts or financial incentives.

We support and invest in our employees!

We always hire the most talented people that add value to our team and our customers. We empower them with the necessary tools to grow both professionally and personally and encourage them to apply their creativity. We ensure that they are economically supported and have a safe, respectful and dignified working environment.

We learn!

We feel driven to discover relevant innovative and emerging technologies, apply them within our industry and improve ourselves by constantly expanding our knowledge and abilities
